About the UMBC Battleground Exit Poll

The UMBC Battleground Exit Poll surveyed 1,119 Baltimore County voters on October 31, 2024, during early voting from 8 a.m. to 8 p.m. and on Election Day, November 5, 2024, from 8 a.m. to 8 p.m. Contact locations were determined by random selection. During the early voting period, responses were collected at four early voting sites, and on Election Day, responses were collected at 13 precincts across the county. Results were weighted to countywide vote totals for the presidential and senate elections.

The UMBC Institute of Politics is committed to transparency. The release will include a methodology statement with information regarding data collection, sample demographics, weighting, and question-wording.

Results will be posted at https://politics.umbc.edu/the-umbc-battleground-exit-poll/
